Extension for publication of financial results

Shareholders are referred to the market notice issued by the Financial Services Conduct Authority on 3 April 2020, granting of the extension of financial reporting periods and are advised that the Company will be utilising the two-month extension period afforded to issuers in that notice.

The Company's financial year-end was 29 February 2020. Accordingly, the company is required to release its year end results ("Provisional result") on SENS by no later than 31 May 2020 and to distribute its annual report containing the notice of annual general meeting ("Annual Report") to shareholders by no later than 30 June 2020. As a result of the lockdown that commenced on 27 March 2020, the Company is unable to meet these deadlines and accordingly has applied for an extension.

In terms of the extension granted, the Provisional Results for the year ended 29 February 2020 will be published prior to the end of July 2020 and the Annual Report for the same period will be published prior to the end of August 2020.

CMH will endeavour to distribute the documents as soon as practically possible prior to the deadlines and further announcements will be made on the publication thereof.
